academic writing now a brief guide for busy students is a rhetoric designed to cover the basics of a college writing course in a concise student friendly format anything inessential

to the business of college writing has been excluded each chapter concentrates on a crucial element of composing an academic essay and is capable of being read in a single sitting the book is loaded with timesaver tips ideas for making the most of the student's time along with occasional warnings to avoid common errors made by student writers each short chapter concludes with questions and suggestions designed to reinforce the chapter's key elements and facilitate small group interactions and trigger class discussion a compact selection of lively topical readings provides thought provoking examples for analysis and discussion

can a writing textbook inform and entertain can a very brief rhetoric also function as a stand alone guide to college writing yes and yes speaking of writing is a concise yet comprehensive rhetoric with readings informed by scholarship in writing studies this book follows four college students from diverse backgrounds as they face the challenges of reading writing and critical thinking in first year writing and across the disciplines each chapter engages students in relatable often humorous scenarios that focus on key challenges through its story based approach speaking of writing enacts student centered and process based pedagogy showing students learning to address fundamental questions how can i apply my own strategies for success to new assignments how can i maintain my own voice when asked to compose in an academic style what do college professors mean by a thesis and how is this different from what my high school teachers meant why is this argument weak and how can i make it stronger the book's narrative vividly dramatizes a draft and revision process that includes instructor feedback peer review and careful research

provides six guided writing assignments along with readings and strategies for writing and research all in a brief flexible easy to use format

this is a print on demand book and is therefore non returnable this monograph is a detailed examination of the textual characteristics and relationships of important early greek manuscripts of the gospel of mark chiefly codex washingtonianus w and also family 13 and p45 and challenges the generally accepted view that these manuscripts are witnesses to an early stage of the caesarean text type the study begins with a discussion and critique of previous studies on the caesarean text type showing the methodological weaknesses that demand a fresh analysis of the data and emphasizing the crucial importance of codex w for the whole question of the textual history of mark then a methodological approach is set forth involving both careful quantitative measurement of manuscript agreements and detailed analysis of variants in the interest of determining both the textual relationships and textual character of manuscripts when this more sophisticated approach is applied to the chief witnesses to the so called pre caesarean text of mark it is confirmed that w and p45 do show a significant relationship with each other and that family 13 is a weaker member of the same group however the commonly held view that these witnesses reflect the early stage of the caesarean text type is shown to be erroneous in addition to clarifying the textual relationships of the witnesses the study defines more accurately their textual character showing the scribal purposes reflected in the variants that characterize these manuscripts and adding considerably to our knowledge of the forces affecting the early

transmission of the text of mark this is the first detailed examination of the markan text of codex w since the publication of the manuscript and the first published book length study dealing with the ceasarean text of mark since the initial work of kirsopp lake and his colleagues blake and new this work not only addresses a major issue in the textual history of mark but offers methodological suggestions for the continuing investigation of the textual history of the new testament

this book investigates the scribal habits of p45 p46 p47 p66 p72 and p75 the six most extensive early new testament manuscripts all the singular readings in these six papyri are studied along with all the corrections
