answers found here in ios 7 apple gave the iphone the most radical makeover in its history the new software is powerful sleek and a perfect companion to the iphone 5s and 5c but it's wildly different fortunately david pogue is back with an expanded edition of his witty full color guide the world's most popular iphone book the important stuff you need to know the iphone 5s this book unearths all the secrets of the newest iphone faster chip dual color flash fingerprint scanner and more and its colorful companion the 5c the ios 7 software older iphones gain control center airdrop itunes radio free internet phone calls and about 197 more new features this book covers it all the apps that catalog of 1 000 000 add on programs makes the iphone's phone features almost secondary now you'll know how to find manage and exploit those apps the iphone may be the world's coolest computer but it's still a computer with all of a computer's complexities iphone the missing manual is a funny gorgeously illustrated guide to the tips shortcuts and workarounds that will turn you too into an iphone addict

ios 8 for the ipad is the biggest ios release ever and this all new missing manual includes everything you need to know about ipad s exciting features and new user interface missing manual series creator david pogue takes you on a guided ipad tour complete with step by step instructions crystal clear explanations and lots of tips tricks and surprises along the way learn how to sync and work on any file anywhere on any device with icloud drive use family sharing to circulate your calendars photos ibooks and itunes and app store purchases with those closest to you track your activity heart rate and other fitness information with health connect to your other ios devices and mac like never before with handoff messages and instant hotspot with this beautiful full color and easy to use book you ll discover how to get the most out of your ipad everything from browsing to watching videos

what do you get when you cross a mac with an ipad os x 10 9 mavericks its 200 new features include mac versions of ipad goodies like maps ibooks and itunes radio but not a single page of instructions fortunately david pogue is back with the expertise and humor that have made this the 1 bestselling mac book for over 11 years straight the important stuff you need to know big ticket changes finder tabs finder tags app nap icloud keychain itunes radio maps ibooks automatic app updating if apple wrote it this book covers it nips and tucks this book demystifies the hundreds of smaller enhancements too in all 50 programs that come with the mac safari mail calendar notification center messages time machine shortcuts meet the tippiest trickiest mac book ever written undocumented surprises await on every page power users security networking build your own services file sharing with windows even mac os x s unix chassis this one witty expert guide makes it all crystal clear there s something new on practically every page of this edition and david pogue brings his celebrated wit and expertise to every one of them

what makes windows refugees decide to get a mac enthusiastic friends the apple stores great looking laptops a halo effect from the popularity of iphones and ipads the absence of viruses and spyware the freedom to run windows on a mac in any case there s never been a better time to switch to os x and there s never been a better more authoritative book to help you do it the important stuff you need to know transfer your stuff moving files from a pc to a mac by cable network or disk is the easy part but how do you extract your email address book calendar bookmarks buddy list desktop pictures and mp3 files now you ll know recreate your software suite many of the pc programs you ve been using are windows only discover the mac equivalents and learn how to move data to them learn yosemite apple s latest operating system is faster smarter and more in tune with ipads and iphones if yosemite has it this book covers it get the expert view learn from missing manuals creator david pogue author of os x yosemite the missing manual the 1 bestselling mac book on earth

from the new york times bestselling author of the downstairs girl stacey lee an evocative

novel about a teen aroma expert who uses her extrasensitive sense of smell to help others fall in love while protecting her own heart at all costs perfect for fans of when dimple met rishi and i ll be the one and now in paperback sometimes love is right under your nose as one of only two aromateurs left on the planet sixteen year old mimosa knows what her future holds a lifetime of weeding mixing love elixirs and matchmaking all while remaining incurably alone for mim the rules are clear falling in love would render her nose useless taking away her one great talent still mimosa doesn t want to spend her life elbow deep in soil and begonias she dreams of a normal high school experience with friends sports practices debate club and even a boyfriend but when she accidentally gives an elixir to the wrong woman and has to rely on the lovesick woman s son the school soccer star to help fix the situation mim quickly begins to realize that falling in love isn t always a choice you can make at once hopeful funny and romantic stacey lee s the secret of a heart note is a richly evocative coming of age story that gives a fresh perspective on falling in love and finding one s place in the world

an authoritative exploration of how black americans have shaped baseball from its emergence after the civil war to the negro leagues and jackie robinson s breaking of the color barrier up to today s game by award winning author gerald early in collaboration with the national baseball hall of fame no sport has been more associated with america s sense of itself with its identity than baseball no sport has been so inextricably bound with america s traditions with its notions of democracy and fair play than baseball and no professional sport in america has been as dramatically connected to social change as major league baseball when it became racially integrated the moment jackie robinson took the field with the brooklyn dodgers on april 15 1947 play harder comes at a time when the history of black baseball has become especially relevant following mlb s recent recognition of the negro leagues as major leagues and the effort to incorporate statistics from the negro leagues into those for all players before robinson as play harder shows black athletes played baseball as far back as the 1800s even before the establishment of the negro leagues but once founded in 1920 the negro leagues gave black americans an inroad to baseball that would be enduring and profound the leagues were an instrument of community building during a time when discrimination separated black people from all white enterprises including baseball and they paved the way for racial integration that black players hoped would come play harder showcases the black stars of the game those from baseball s early years such as moses fleetwood walker and rube foster negro leagues stars like satchel paige and cool papa bell jackie robinson and those who crossed the color line after him like hank aaron and willie mays followed by frank robinson and curt flood and the stars who ushered in today s game such as reggie jackson dave winfield barry bonds and ken griffey jr playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by black americans

in the end play harder celebrates the triumph of some of baseball's greatest players and their remarkable contributions to the game we know and love today

the story of india over the past seven decades has been one of development and social and political change which has often been forgotten pushed to the recesses of our memories ankur seema and sushant refresh those memories in note by note linking the events of each year to a significant film song for in a country that has a song for every season every emotion nothing qualifies as much as the film song to be a metaphor for the nation the hindi film song has uncannily encapsulated the sentiment of its era reflecting as well as forming the consciousness of the country's identity and mood from the afsana the country was articulating in afsana likh rahee hoon even as jawaharlal nehru gave voice to india's tryst with destiny to the mood of socialist india in awara hoon to the political and social unrest of the 1970s as reflected in zindagi kaisi yeh paheli hai to the dreams of a new and young india it is all here a tribute to india and the exceptional republic that it has been note by note captures the rhythm of modern indian history to the beat of popular film music

the future boldly imagined from breathtaking new perspectives the world as we will know it is far different from the future once predicted in simpler times for this newest collection of the finest short form sf to appear in print over the preceding year acclaimed editors and anthologists david g hartwell and kathryn cramer have gathered remarkable works that reflect a new sensibility courageous and diverse stories from some of the finest authors in the field grace this amazing volume adventures and discoveries parables and warnings carrying those eager to fly to far ends of a vast ever shifting universe of alien worlds strange cultures and mind bending technologies tomorrow has never been as spellbinding terrifying or transforming as it is here today in these extraordinary pages hang on new tales from kage baker gregory benford terry bissonrick moody michael swanwick john varley and many more

step by step full color graphics written by a senior for seniors this practical fast paced guide helps you get up and running on your ipad right away color photos and screenshots with clear instructions make it easy to accomplish everything you want to do follow along and quickly learn how to set up your ipad navigate the touch screen use apps and email and browse the internet find out the best ways to manage photos video chat with facetime use itunes and the ibook store read edocuments listen to music watch movies play games and use icloud ipad maintenance tips are also included the unique landscape layout of the quicksteps series displays graphics and explanations side by side and lays flat so you can easily refer to the book while working on your ipad use these handy guideposts shortcuts for accomplishing common tasks personal insights from other seniors need to know facts in concise narrative helpful reminders or alternative ways of doing things bonus information related to the topic being covered errors and pitfalls to

avoid

in the spirit of rebecca traister s good and mad and roxane gay s bad feminist comes a courageous in depth investigation into the modern epidemic of shame in our society what it is why women are uniquely susceptible and how we can shift the shame off our plates and live our best lives in an over exposed image obsessed world for millions of women shame is a vicious predator it tells us we are less than that we are unworthy we try everything to escape shame ignoring it intellectualizing it and even ironically shaming ourselves for feeling it the reality is that women experience shame more frequently and more intensely than men a direct result as acclaimed journalist melissa petro explains of a patriarchal culture that urges women to feel bad about themselves and then punishes them when they do why can t we figure out how to break the shame cycle once and for all in shame on you petro takes on the issue of women s shame directly with an unflinching look at the social systems that encourage women to believe we are deeply inadequate from shame s beginnings maybe she s born with it nope it s misogyny to its effect on our lives as adults how the humiliation of bad women affects us all shame poisons our friendships romantic relationships and work lives but it doesn t have to be that way blending investigative reporting science literature and hundreds of women s personal stories including her own shameful account of winding up as an unwitting new york post cover girl petro offers us a new way forward no matter what you do she explains there is no escaping being judged and yet the women we can become sometimes as a consequence of shame rather than in spite of it are powerful indeed and maybe that s what others are afraid of

atlas of facial nerve surgeries and reanimation procedures is more than a project for the author it is the culmination of her passion as well as lifelong quest and pursuit for perfecting the execution of management of facial nerve in different situations the main objective of this atlas is to provide an insight to the reader regarding the anatomy and normal functioning of the facial nerve besides a guidance on step wise evaluation and management of facial palsy aimed at achieving optimal results the elaborate description about the post treatment recovery of the functioning of facial nerve and facial muscles is an important highlight of this atlas the text in this atlas gives a concise description of the principles of management of facial nerve and the steps of surgery at the same time a major focus has been placed on surgical images and diagrams to provide the reader with a pictorial view of the procedural intricacies involved in the surgery and facial nerve management the diagrams have been specifically drawn by the author herself to depict a simplified representation of the steps and to emphasize the key technical points involved in them key features starting from embryology and detailed anatomy of the facial nerve this atlas takes you on a journey depicting different aspects of the facial nerve its lesions their evaluation and finally treatment the decision to opt for right techniques and their timing forms the hallmark of this book more than 1000 images and simple illustrations

depicting the preoperative facial palsy operative steps and postsurgery facial recovery at different stages thorough description of bell s palsy which has always been a controversial topic bilateral facial palsy discussed rarely has been described in an elaborate manner with few very interesting cases special chapter on management of the facial nerve in lateral skull base surgery to guide the reader about simple relevant techniques simple steps to handle the facial nerve in cochlear implant surgery a novel technique named transzygomatic anterior attic approach to decompress the facial nerve in post traumatic facial palsy has been introduced for reader s benefit this book includes complimentary access to a digital copy on medone thieme com publisher s note products purchased from third party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product

featured in the 2018 movie science fair a national science teachers association best stem book of 2017 in this acclaimed memoir teen innovator and scientist jack andraka tells the story behind his revolutionary discovery when a dear family friend passed away from pancreatic cancer jack was inspired to create a better method of early detection at the age of fifteen he garnered international attention for his breakthrough a four cent strip of paper capable of detecting pancreatic ovarian and lung cancers four hundred times more effectively than the previous standard jack s story is not just a story of dizzying international success it s a story of overcoming depression and homophobic bullying and finding the resilience to persevere and come out his account inspires young people who he argues are the most innovative to fight for the right to be taken seriously and to pursue our own dreams do it yourself science experiments are included in each chapter making breakthrough perfect for stem curriculum but above all jack s memoir empowers his generation with the knowledge that we can each change the world if we only have the courage to try

for four decades jeremy beckett has shone a light on previously marginalized fields of life while the many went in search of traditional culture beckett was fascinated to learn how people who often lacked wider recognition of their aboriginality went about their lives in the process he changed our understandings of those people and highlighted the issues they confronted he has enriched our appreciation of the diversity of indigenous identities and experiences and his knowledge is shared in this book he was an expert witness leading up to the mabo decision and has brought australian indigenous studies into a world framework his work continues to be influential to many those who revisit his ideas here and those who are newer to his work
